Math Placement Requirements Returning Students 2022

Algebra 1 students who earn:

- D+ or below take **Algebra**, unless they take a summer algebra 1 course
- C- or better and have the recommendation of the Algebra 1 teacher take **Geometry A**
- 95% or better and have the recommendation of the Algebra 1 teacher take **Geometry**

Algebra/Geometry students who earn:

- D+ or below take **Algebra**, unless they take a summer algebra 1 course
- C- or better and have the recommendation of the Algebra/Geometry teacher take **Geometry**
- 95% or better and have the recommendation of the Algebra/Geometry teacher take **Geometry Honors**

Algebra/Geometry Honors students who earn:

- D+ or below take **Geometry**, unless they take a summer geometry course
- C- or better and have the recommendation of the Algebra/Geometry Honors teacher take **Advanced Algebra / Trigonometry / Precalculus (AATP)** or **Advanced Algebra / Trigonometry / Precalculus Honors (AATP Honors)**

Geometry A students who earn:

- D+ or below take **Geometry A again**, unless they take a summer geometry course
- C- or better and have the recommendation of the Geometry A teacher take **Intermediate Algebra**
- 95% or better and have the recommendation of the Geometry A teacher take **Advanced Algebra / Trigonometry / Precalculus (AATP)**

Geometry students who earn:

- D+ or below take **Geometry** again or **Geometry A**, unless they take a summer geometry course
- C- or better and have the recommendation of the Geometry teacher take **Advanced Algebra / Trigonometry / Precalculus (AATP)**
- 95% or better and have the recommendation of the Geometry teacher take **Advanced Algebra / Trigonometry / Precalculus Honors (AATP Honors)**

continued on the next page

Advanced Algebra / Trigonometry / Precalculus Honors (AATP Honors) students who earn:

- D+ or below take **Advanced Algebra / Trigonometry / Precalculus (AATP)** or **Intermediate Algebra**, unless they take a summer algebra 2 course
- C- or better and have the recommendation of the AATP Honors teacher take either **Calculus** or **AP Calculus AB**. They can optionally prepare for the AP course by completing summer work provided by the math department.
- Any grade and are going to be in grade 12 take **Math 4**

Intermediate Algebra students who earn:

- D+ or below take **Intermediate Algebra** again, unless they take a summer algebra course
- C- or better and have the recommendation of the Intermediate Algebra teacher take **Advanced Algebra / Trigonometry / Precalculus (AATP)**
- Any grade and are going to be in grade 12 take **Math 4**

Advanced Algebra / Trigonometry / Precalculus (AATP) students who earn:

- D+ or below take **Advanced Algebra / Trigonometry / Precalculus (AATP)** again or **Intermediate Algebra**, unless they take a summer algebra 2 course
- C- or C consult with the head of the math department to choose a course
- C+ or better and have the recommendation of the AATP teacher take **Calculus**
- 95% or better and have the recommendation of the AATP teacher and successfully complete summer work provided by the math department take **AP Calculus AB**.
- Any grade and are going to be in grade 12 take **Math 4**

Calculus students who earn:

- D+ or below take **Calculus** again unless they take a summer calculus course
- C- or better and have the recommendation of the Calculus teacher take **AP Calculus AB**
- B+ or better and have the recommendation of the Calculus teacher take **Statistics Honors**
- Any grade and are going to be in grade 12 take **Math 4**

AP Calculus AB students who earn:

- C- or better and have the recommendation of the AP Calculus AB teacher take **AP Calculus BC**
- Any grade take **Statistics Honors**
- Any grade and are going to be in grade 12 take **Math 4**

AP Calculus BC students who earn:

- C- or better and have the recommendation of the AP Calculus BC teacher take **Multivariable Calculus**
- Any grade and are going to be in grade 12 take **Math 4**
- Any grade take **Statistics Honors**

Multivariable Calculus students who earn:

- Any grade and are going to be in grade 12 take **Math 4**
- Any grade take **Statistics Honors**

Statistics Honors students who earn:

- Any grade and are going to be in grade 12 take **Math 4**
- Any grade take **Multivariable Calculus**
